***27th June - Last day, we finish at 11:30am***

---

We will be making very special memories at our [Tiger Who Came to Tea](#) event. We would love it if you could come and help us create memories to celebrate very special staff and BOG members who will be moving on after this school year. We will be making crafts and videos along with enjoying our treats.

Ronnie's Relays are part of our sports day, and parents are very, very welcome to come along and cheer on their child. They will be from 10:30 to 11:30 on the 19th for Nursery One and the 20th for Nursery Two

---

---

There will be a big emphasis this month on preparing the children for transition to Big School.

We have been in touch either in person or by telephone with most of the Primary Schools who will receive our 24/25 Ravenscroft Pupils. By the end of June we will have spoken with all of them to pass on any relevant information which will help the children to settle in to Big School.

Each child will have a transition movie or pdf posted on to their seesaw journal to help reassure them about their new school. This will happen towards the end of June.

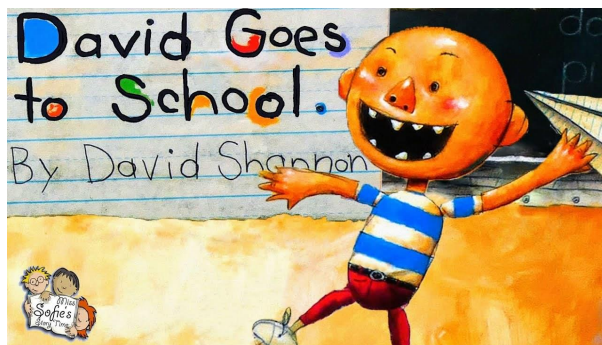

We'll also be sending on your child's report which contains information on how their year at Nursery School went. This will be sent digitally to the email contact nominated by your child's school.

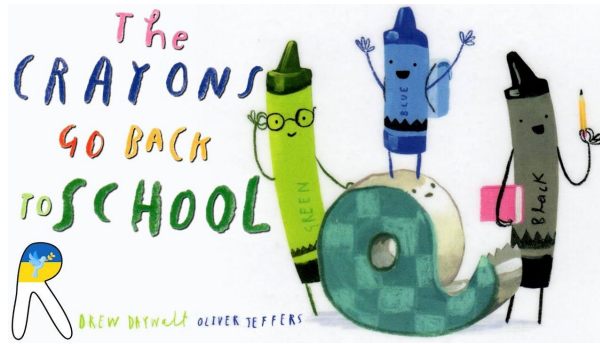

If your child had any supporting Education Plans or PLP's, these will also be sent digitally. We need your permission to send these on so we'll be in touch about this if we need to.

---

2 - Graduation photos will be available week after next, £25 per pack. You can view before you choose to buy, payment must be made before receipt of photos thanks.

---

## Sunscreen

Every warm day, please put sunscreen on your child.

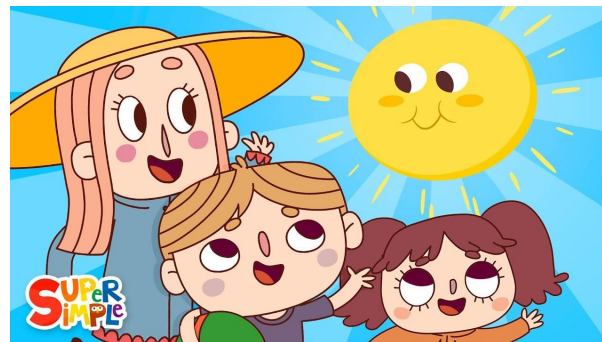

In the better weather we hope to spend the majority of the morning outside, in our lovely outdoor learning environment

We have sun screen available in school if you have forgotten any day. It may be applied to your child as they arrive to school, if needed. Parents should apply their child's sunscreen.

Please bring in a sun hat with your name on it and wear suitable shoes.

---

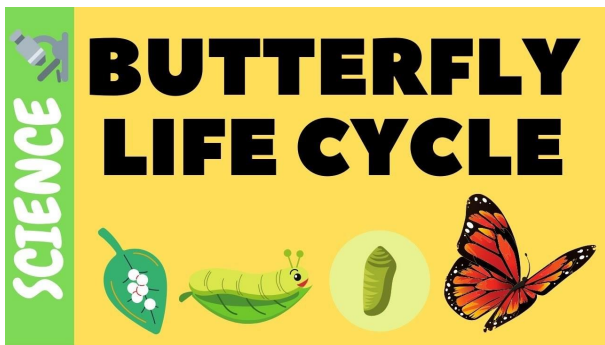

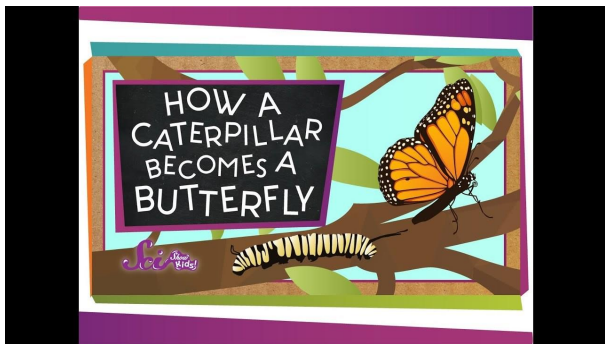

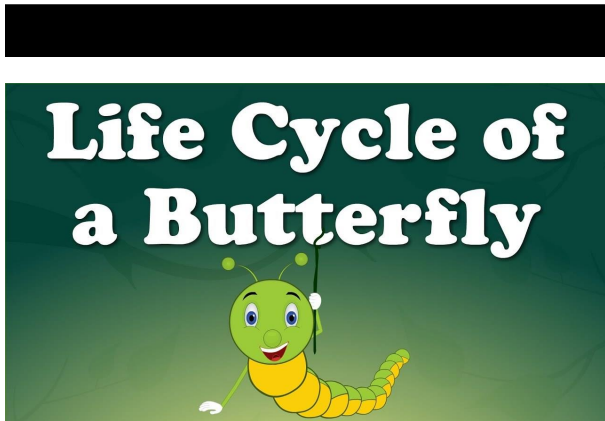

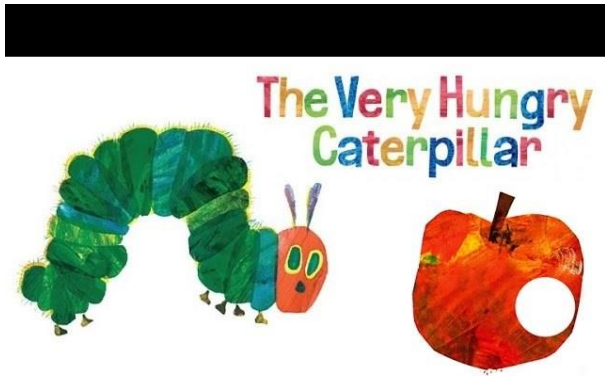

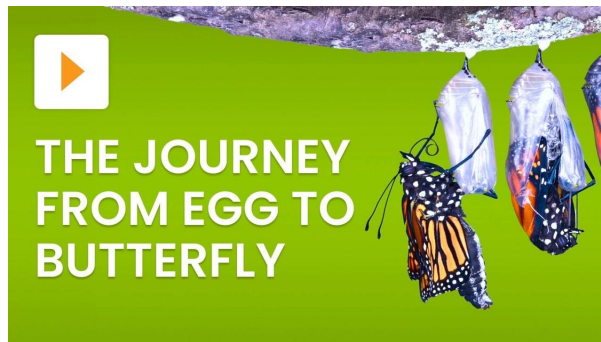

---

We are watching our caterpillars with excitement, as they grow and prepare to become butterflies. The children really enjoy watching this life cycle unfold before them.

---

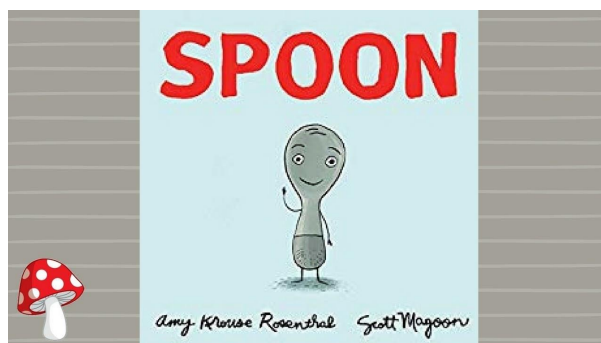

---

We'll be talking about friends. The good ones that we've made at Ravenscroft and new ones we'll meet in Big School.

---

*We are always happy to accept donations of gently used uniform jumpers*

3 - We don't wish to be presumptuous but we know that sometimes families give gifts to show appreciation at the end of the school year. Just to say, we have a no gifts policy so please don't feel under any pressure to spend money on anything. We love a home made card or drawing though :)
